

Rotation Student Evaluation
Faculty Response

Score your response to each statement as follows: 1 poor; 2 fair; 3 average; 4 good; 5 excellent

1. The objectives of the project were clearly explained to the student.

2. The student appeared to have knowledge in this area.

3. The student was well prepared.

4. The student adequately answered questions proposed to him/her.

5. The student was able to discuss recent developments in the field

6. The student could apply concepts to demonstrate their understanding.

7. The student appeared to set high standards for himself/herself.

8. The student's understanding of the subject appears to have been increased during the rotation.

9. The student was informed of his/her progress

10. The student's progress in the lab seemed of a high priority for the student

11. I was satisfied with the student's accessibility within the lab.

12. I would recommend this student to one of my colleagues.

Student Name _____
