ROTATION FACULTY EVALUATION FORM – STUDENT RESPONSE

Score your response as follows: 1 poor; 2 fair; 3 average; 4 good; 5 excellent
1. The objectives of the project were clearly explained to me.
2. I felt well prepared for this rotation.
3. The professor adequately answered questions I proposed to him/her.
4. The professor discussed recent developments in the field.
5. The instructor had students apply concepts to demonstrate understanding
6. The professor sets high standards for students.
7. My understanding of the subject appears to have been increased.
8. I was informed of my progress in the lab by the professor.
9. My progress in the lab seemed of a high priority to this professor.
10. I was satisfied with the professor's accessibility within the lab.
11. The professor increased my interest in this area.
12. I would recommend this professor to one of my friends for a rotation.

Faculty Name: _____ Rotation Dates: _____
